

Student Conference 2005

Seminar Room, Department of Colour and Polymer Chemistry, University of Leeds

Wednesday, 19 October 2005. Registration 10:00, meeting starts 10:30.

The IOP Printing, Packaging and Papermaking Group annual Student Conference is a forum for recent work at postgraduate level (MSc, MPhil or PhD) on the subjects of printing, packaging and papermaking. It is an opportunity to meet students from around the UK in these fields, and to see work that has recently been completed or is in progress.

Programme:

10.30 Colour appearance data for mobile phone display

Yung Kyung Park

11.00 Image Quality Difference on a Mobile Display

Jang Jin Yoo

11.30 Image quality metrics of a mobile LCD
